(Barrie, Ontario) May 3, 2020:

Bravado!, Barrie's Show Choir, with the help of Director Marianne Derow, has put together a Special Virtual Show for our Residents of Long Term Care Homes of 15 songs from past performances, including 3 newly recorded numbers.

From “Viva Las Vegas” (from our 2017 show) to “Boogie-Woogie Bugle Boy”, these are all timeless melodies, many with choreography.

Come “Fly With (Us)” and you “Could Have Danced All Night” thinking of the “Nightingale (who) Sang in Barkley Square”. You will “Smile” and “L O V E” this show.

While this was prepared with Seniors in mind, “Don’t Worry, Be Happy” because the “Memory” of these songs from “Yesterday” will “Make ‘em Laugh” no matter who you are. “Let (us) Entertain You”!

Research shows that music has an invigorating effect on our behaviour, mood, and quality of life. We need that right now. Sing along with us!

Thanks for the memories will be released on our YouTube channel on May 8, 2021, for your listening pleasure and without charge. **Just visit “Bravado Show Choir” on YouTube.com or better still use this link [Bravado Thanks for the Memories](#)**

We’ll be back” live” once it’s safe and we can’t wait! Maybe in the fall of 2021? Take care and enjoy the singing!

About *Bravado!*

Bravado!, Barrie’s show choir, was formed in 1996 with a vision of creating a multi-artistic experience. Under the musical direction of Marianne Derow, the choir continually challenges traditional notions of choral music by layering vocal excellence with the visual appeal of staging and choreography. *Bravado!* performs all music from memory, getting “off the page” and allowing a more personal connection with their audience. Bravado’s choral fusion style transitions fluently from classical through Gospel, Jazz, and Broadway, to Rock without sacrificing musical excellence.
